VOLLRATH

75072

8-hole half-size stainless steel egg poacher plate

This Vollrath stainless steel 8-hole plate serves as a direct replacement for the plate that comes with the Vollrath 75070 stainless steel 8 cup egg poacher set (sold separately). Thanks to each individualized compartment, you can create uniform poached eggs at your breakfast buffet, catered event, or hotel restaurant. Each compartment measures 2 11/16" in diameter to accommodate egg poacher cups (sold separately).
