# 40.25-inch Multi-Purpose Plastic Cart in Black

Durable and lightweight, the Vollrath® Three-shelf multi-purpose plastic cart is ideal for any medium-duty application. With 19 ¼” x 29 ½” polypropylene shelves, strong handles and satin-finished aluminum uprights, this cart is attractive, sturdy and easy to clean. The textured surface on the shelves minimizes undesired movement when the cart is in motion, and the swivel casters ensure swift maneuvering. This reliable cart is shipped knocked down to reduce costs and assembles quickly to save you time.
