31-inch stainless steel utility cart with 3 shelves

The Vollrath medium duty stainless steel cart is ideal for transporting cookware, salad bar items, and dishes in your restaurant kitchen. This stainless cart features three, 22 gauge stainless steel shelves, and an ABS plastic handle that prevents slipping, and helps protect your walls from incidental damage. Four swivel casters provide exceptional freedom of movement. Stainless steel carts are must-have products for instances when you need to transport heavy or bulky products.
