VOLLRATH

131-9

6 ½-inch-deep single-bowl stainless steel flat rim drop-in sink

Thanks to its impressive construction, the flat rim drop-in sink by Vollrath is designed to withstand constant use in your commercial kitchen. The one-piece drawn stainless steel offers exceptional strength, and the satin finish creates a sleek appearance that blends perfectly with the rest of your kitchen. The flat rim design promises easy installation, making this bowl just as convenient as it is reliable.
