Two-bowl stainless steel self-rimming vending cart drop-in sink

The vending cart drop-in sink by Vollrath features impressively durable construction. The stainless steel offers exceptional strength, and the satin finish creates a sleek appearance that blends perfectly with the rest of your vending cart. The self-rimming design promises easy, sturdy installation, making this two-bowl drop-in sink just as convenient as it is reliable, and the 2-inch drain allows quick water flow.
