VOLLRATH

TRH-44

Traex® Full-Size Royal Blue 30 Compartment Glass Rack Extender

This royal blue full-size 30 compartment glass rack extender offers versatility for your warewashing system! Use it to quickly and easily change the height of your Vollrath glass racks to allow your racks to hold a different size and type of glass. Using an extender with your racks is an economical way to expand your warewashing capabilities by using the glass racks you already have. This extender fits all 30 compartment full-size Vollrath Traex® glass racks and adds up to 1 9/16" to the overall height of your glass rack.s
